President's Message:

Hello Garden Club of Hyannis! It's finally here — our labor of love over the past four years. As we come down the home stretch, take a moment to congratulate each other and especially our flexible, resilient managing chairs — Gail Hubacker, Debbie Faulconer, and Kathie Schatz. And the committee!

Have fun. Let's do this.

With admiration and appreciation,
Sally and Cheryl

Due to the evolving COVID-19 situation, the Cultural Center will take additional precautions to keep everyone on our campus safe. The improvements we made to our ventilation system and other aspects of our facility during the pandemic continue to contribute to the safety of our constituents, but **we have also implemented a vaccination policy, effective until further notice. In addition, the Garden Club of Hyannis requires all who attend the Showcase to wear masks.**

For the health, safety, and well-being of our patrons, staff, volunteers, and creatives, the Cultural Center of Cape Cod requires that guests attending indoor ticketed events or classes must be vaccinated or provide a negative COVID test taken within 72 hours.

At check-in, all guests must either present proof that they meet the CDC definition of being fully vaccinated against COVID-19, either in the form of a physical vaccination card or a photo of the card OR present proof of a negative COVID test with that test taken within 72 hours of the indoor event/class.

Although you are not required to do so, you may wish to upload your vaccination card [here](#), or send a photo of the vaccination card or negative COVID test with your full name in advance to vax@cultural-center.org. Please note all guests within a party will need to show proof of vaccination or a negative COVID test.

Children under twelve must wear masks at all times

CAPE COD HOSPITAL CHRISTMAS TREES-Linda Kiley

Ho Ho Ho !!! It is getting close to December and that means decorating the Christmas trees at Hyannis Hospital! I know many members are looking forward to this event after missing it last year. Tree Captains should be contacting all team members in order to coordinate team efforts. Due to a change in membership, we are looking for a NEW TREE CAPTAIN in the Day Surgery area. This is a small tree located near the vestibule adjacent to the Cancer Center. If you are interested, please let me know. You can email me at lkiley1436@gmail.com. Also, if you have not been assigned to a team and would like to participate, please let me know so I can place you on a team. Start looking for your jingle bells and elf shoes!!

HISTORIAN –Ann Rosseel

As we pay tribute to our veterans this November, we also remember those garden club members from years ago who supported them in times of war.

We particularly remember their fundraising efforts as they attempted to send a full kitchen overseas at one time. When this feat was not possible they directed their efforts domestically there at home. , particularly serving soldiers headquartered at was once called Camp Edwards here on the Cape.

Let's never forget our veterans and all those who supported them, including members of the Hyannis Garden Club from years past!

Welcome to our new members – Barbara Davidson and Elena Ahlin

Barbara and Elena were introduced at the October meeting and are now members of the club. Barbara recently moved from Sharon and is excited to learn more about gardening. Elena recently retired from Bank of America and received her Master Gardeners Certificate from URI in 2012. Both will be volunteering with us at the showcase so please make them feel welcome! Please add their contact information to your yearbook.

OUTINGS – October Mushroom Walk at Eagle Pond

FLORAL DESIGN – Nancy Costa

Floral Design 101 participants arrived October 18 with **RIGHT or LEFT ANGLE DESIGNS** made at home. We discussed our design process, balance, proportion, scale and critiqued each other's work. Great effort and sharing of ideas!

We welcome additional participants - geared toward beginners, novices and new Club members. Sign up on the Design 101 clipboard at the Club meeting. If you want to sharpen your design skills, you are encouraged to join the fun and learning at the upcoming Design Workshops. Same location as our Club Meetings: W. Barnstable Community Center; 9:00 set-up; 9:30 discussion; end 10:45. Contact Nancy Costa with any questions.

Upcoming 101 Workshops:

- March 14, 2022, 9:00 a.m.
- May 9, 2022, 9:00 a.m.
