

The Garden Club of Hyannis
The Sandra Greene Teacher Mini Grant Application

Due Date for Submission: February 1, 2027

Scholarship Chair: Linda Zarif

Please submit Applications in PDF format to:

Linda Zarif, lindazarif@gmail.com

Established through a generous bequest from Sandra Greene, a dedicated educator, longtime Garden Club member, and Scholarship Committee member, these mini grants support innovative classroom projects and educational opportunities that enrich student learning. The grant honors Sandra's lifelong commitment to education and her belief in the power to teachers to inspire future generations.

This mini-grant is open to all Cape Cod school teachers, grades 7 - 12 , for any environmental study including gardening, botany, conservation, horticulture or related field.

Name of School and Department in which you teach:

The Sandra Greene Teacher Mini Grant Application

1. Please describe your proposed project and list all items you will need to purchase to complete your project with estimated cost.
2. Each applicant must submit a letter describing the reason(s) why this grant will help you to enhance your lesson plans and include the number of students participating, age level and ways that they will be participating.
3. The Garden Club of Hyannis also requests that you submit a report of how your lessons have enhanced student learning after completion of your mini-grant.
4. Please give an estimated time line of the start of the project and how the project will be maintained over the long term.
5. We would appreciate if you would kindly share a photo of any project.
